

A GUIDE TO RECHARGE YOUR
SmartFleet[®] ACCOUNT ONLINE

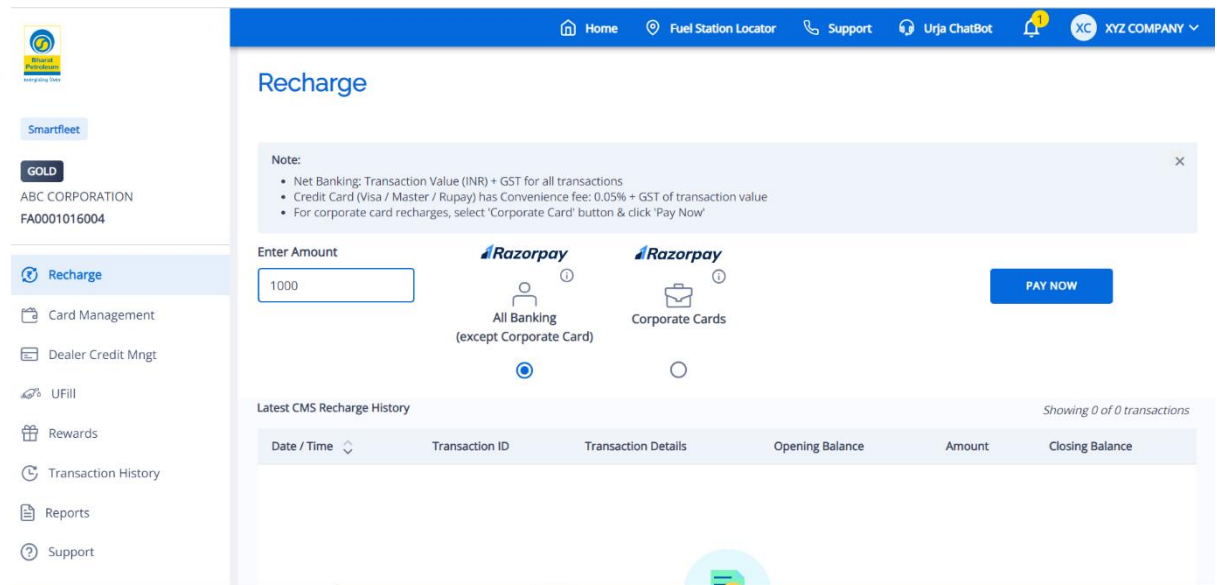

Go to <https://www.hellobpcl.in>

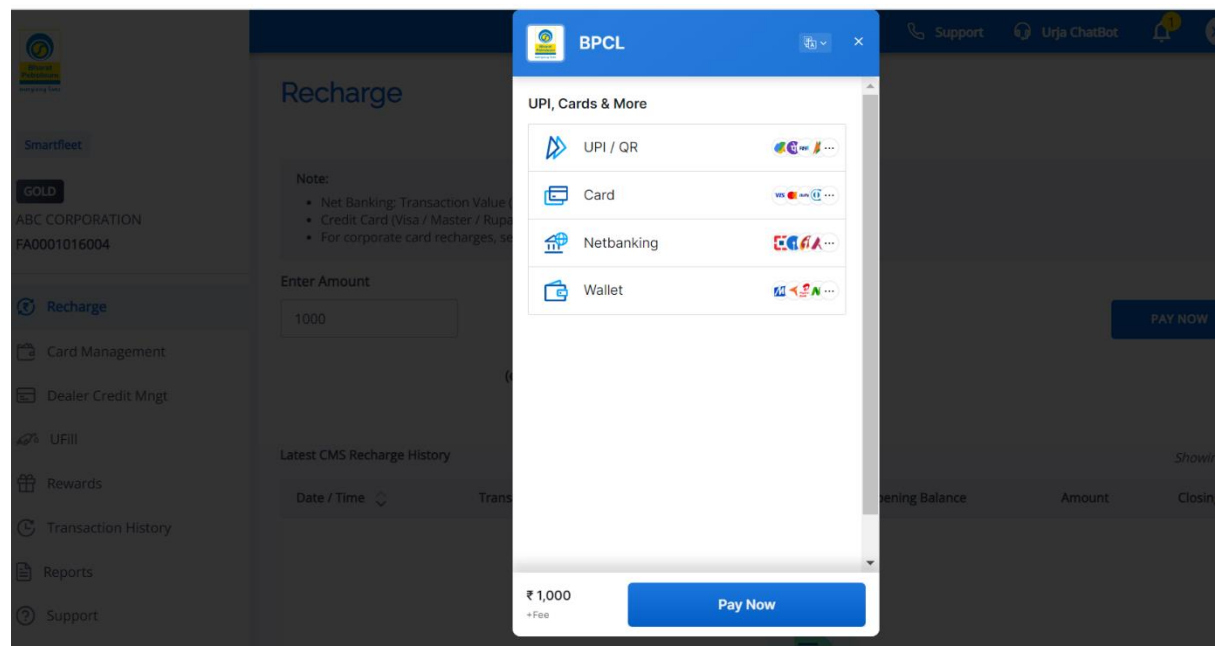

Click on Recharge tab (which is highlighted below) to recharge the CMS account by using any debit card, credit card, internet banking or with UPI.

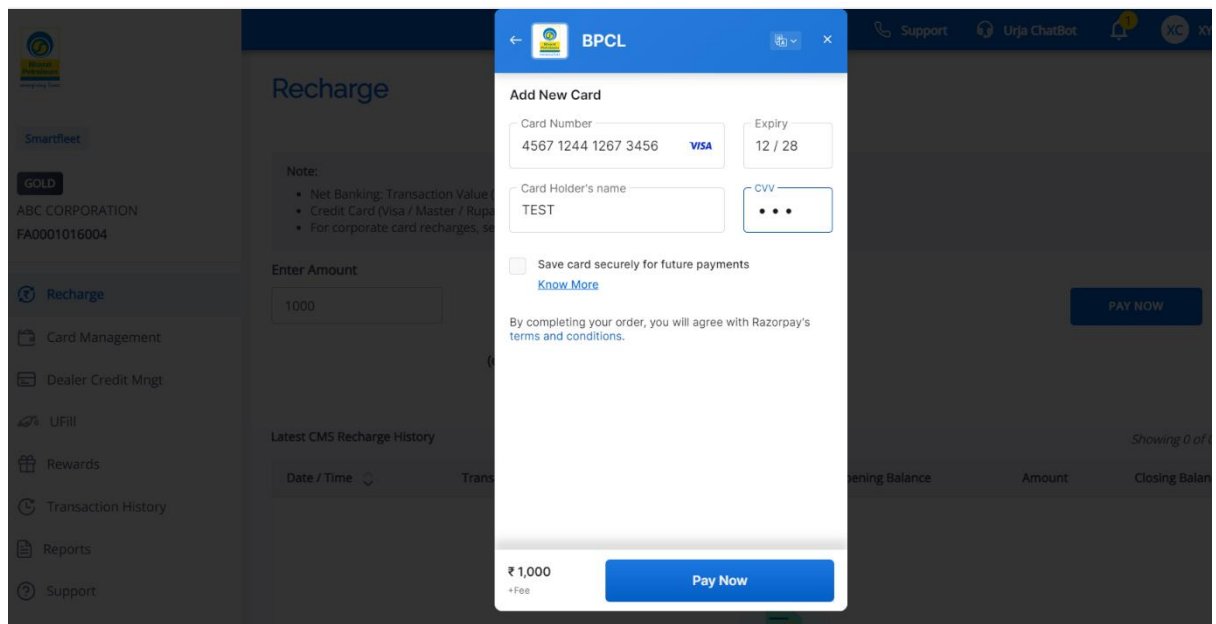

Enter the amount and select CORPORATE CARDS- if the customer wants to recharge through corporate or business cards or select ALL BANKING (EXCEPT CORPORATE CARD)- if the customer wants to recharge through non corporate card.

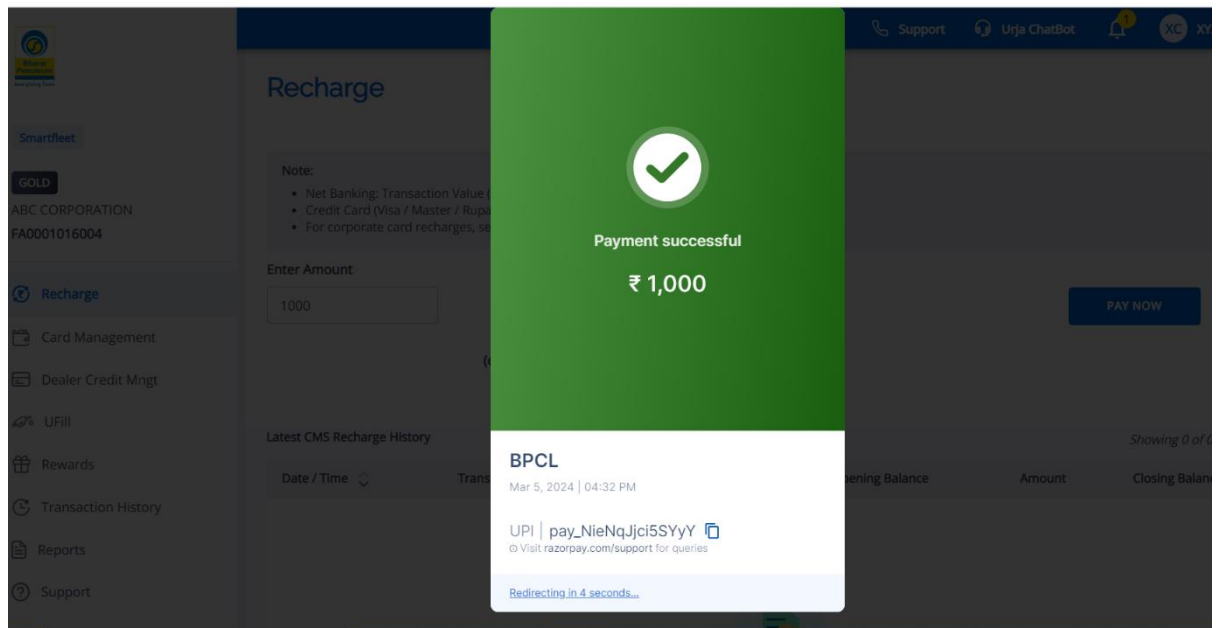

Select the mode of payment- UPI, CARD, NETBANKING or WALLET and click on Pay Now button.

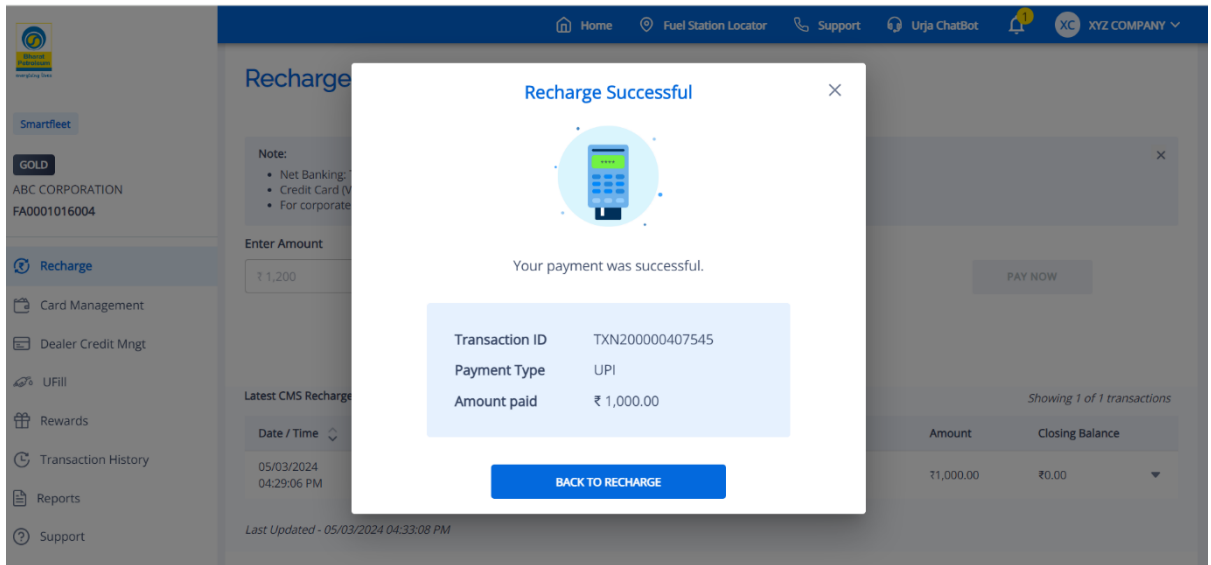

Select the card option and enter the card details and click Pay Now button.

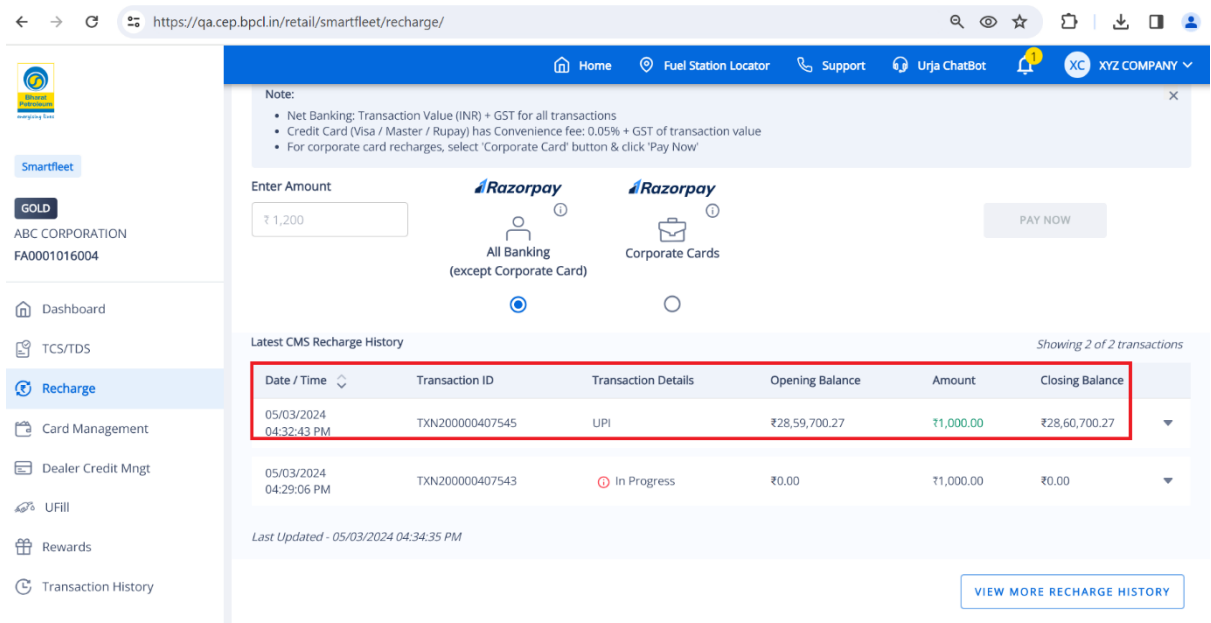

Enter the OTP in the next window and submit. After validation, once it is successful, the below screen appears.

The status of the recharge will be shown in the “Latest CMS Recharge History” page under Recharge option which is given below:
